## CIPS Regina March 11 Luncheon: 'An ECM Roadmap Vignette Toward Information Governance'

CIPS

Gartner defines information governance as the specification of decision rights and an accountability framework to ensure appropriate behavior in the valuation, creation, storage, use, archiving and deletion of information. It includes the processes, roles and policies, standards and metrics that ensure the effective and efficient use of information in enabling an organization to achieve its goals.

Toward achieving information governance, an organization must have a realistic, practical and achievable plan.

### CIPS PEI March 13 Curling Fundraiser

CIPS

CIPS PEI is happy to announce the 2014 CIPS Curling Fundraiser Event will be held on Thursday, March 13th. As with previous years, this is a "for fun" event and no previous curling experience is required to participate. Curling is a great social event for networking since teams play two games against other teams — not to mention the camaraderie fostered with fellow co-workers and teammates!
