CIPS Webcast: Brian Hamilton - 'Social Media and Privacy of Data' (Member-Only Content)

CIPS

CIPS is pleased to announce that we will now be providing exclusive content for CIPS members, which can be found at www.cipsresources.ca. In February CIPS launched our new membership system, which will allow CIPS to provide new features and benefits for our members. Check out the CIPS Webcast by Brian Hamilton on "Social Media and Privacy of Data," from the CIPS Alberta ICE Conference.

CIPS SK Regina April 30th Event: 'Strategy Required: How Customer Experience is Changing the Role of Information Technology'

CIPS

Over the last decade, the art and science of application development has evolved significantly as organizations seek to maximize the value from their information technology investments. There is a fresh wave of thinking in the technology industry today — one that focuses on how to use technology to support a Customer Experience Strategy that engages customers and drives value through greater revenues and reduced cost.
