IMPORTANT MESSAGE for Non-Member Subscribers:

We don't want to lose you! How to stay on the distribution list.

Thank you for being a subscriber of *CIPS Connections*, which is sent to members of CIPS — Canada's Association of I.T. Professionals, our partners, and other subscribers who want to be informed about news affecting the IT profession. CIPS values your interest in the Association and wants to ensure that you continue receiving *CIPS Connections* every week.

YOUR ACTION IS REQUIRED: [Canada's anti-spam legislation](#) (CASL) will go into effect July 1, 2014, and in order to remain staying informed with the latest industry and association news, via *CIPS Connections*, please [click here](#) to opt-in. By not opting in to receive this valuable weekly source of news and information, you will not receive *CIPS Connections* once the legislation takes effect.

Continue to stay in touch with CIPS by opting in today. [Opt-in here!](#)

Enterprise IT versus Home IT

IT World Canada

Most managers in enterprises are also IT managers for their home IT — unless they've delegated the role to their children. Many managers think IT is easy because they have successfully installed Microsoft Office, added a printer driver to a workstation or configured a wireless access point.
