Just how big is big data?
IT World Canada

Open any current business and technology publication and you will find at least one article on big data. IT World Canada alone has published many on the topic. In their next article, I will give you a sense of just how big this big data phenomenon really is and provide an example of a new type of business that is developing to serve the big data analysis needs of business and industry. **READ MORE**

Featured Whitepaper: 'Exposing the hidden cost of Payroll and HR Administration'
CIPS via IT World Canada

Many organizations identify costs that are easily recognizable, such as processing staff and technology acquisition costs, but fail to recognize "hidden" costs necessary for operating and integrating these interdependent processes. Learn about the different cost drivers of payroll, time and attendance, HR data administration, and health and benefits. **READ MORE**

CIPS INTERVIEWS: Eve Andersson
CIPS

Eve Andersson leads Accessibility Engineering at Google. Prior to joining Google, Eve was Senior Vice President of Academics at Neumont University. She also co-founded ArsDigita Corporation, an open-source software company that was acquired by Red Hat, and she was Visiting Professor of Computer Science at Universidad Galileo in Guatemala City.

IFIP News June 2015 Issue: IP3 at World Summit for Information Society
IFIP

Brenda Aynsley (IP3 Chair), Stephen Ibaraki (IP3 VP Strategic Partnerships, founding chair Global Industry Council) and Moira de Roche (Deputy Chair IP3, Vice Chair Global Industry Council) attended the WSIS event from May 25-29 2015. IFIP provided some sponsorship to the event, received international spotlight and recognition as a contributing partner. This year is the 150th anniversary of ITU so the event drew extra attention. **READ MORE**
