CIPS MB Winnipeg Sept. 22 Lunch: 'Who Really Is Using Public Clouds and Why?'

CIPS

Many organizations today are facing significant decisions on how to support their core business. Internal IT has a new enabler, and maybe a new competitor, with public cloud offerings. Decisions on leveraging cloud providers are happening outside of the traditional IT decision making process. [READ MORE](#)

Megatrends: 80 million Windows 10 with Surface Pro

IT World Canada

Enterprises are in the midst of a cloud-first, mobile-first, security-first, DevOps, big data/analytics, productivity focus enterprise strategy. Having the enterprise ecosystem centered on one operating system, Windows 10, for all environments provides a foundation for this strategy. [READ MORE](#)

CIPS needs your input: 'Creating your ideal technology professional organization: Your input shaping the future of CIPS'

CIPS

CIPS, Canada's Association of I.T. Professionals, has embarked on a strategic initiative to chart the future of the organization and its place within the information, technology, and communications (ICT) profession in Canada. The process begins with asking for the voice of stakeholders through a short online survey. [READ MORE](#)

CIPS ON Toronto Sept. 30 Gathering: 'Embedding Security Into Big Data Environments'

CIPS

Technological advancement and expanded use of smart phones are creating significant opportunities for businesses, but competition is also growing. Disruptive technology operators are ever more capable of addressing the needs of their customers, cheaper, faster and better. [READ MORE](#)

CIPS INTERVIEWS: Josh Hong

CIPS

Joshua Hong is an Internet-media entrepreneur. He worked at Arthur Andersen Worldwide as a Technology and Corporate Strategy Consultant and at Deutsche Bank in its Global Investment Banking and M&A Group prior to starting North America's first free-to-play MMORPG (massively multiplayer online role playing game) publisher, K2 Network, which became one of the largest free-to-play MMORPG publishers in the Western Hemisphere with offices in U.S., India, Brazil and Turkey. [READ MORE](#)

Featured Whitepaper: 'Analytics for all: The time has come'

CIPS via IT World Canada

Organizations who've adopted an analytics strategy see great competitive advantage, yet many have yet to embrace the technology. Why? A combination of a shortage of analytics expertise and the almost unimaginable amount of data is at the root. [READ MORE](#)

Cyber Security for Critical Infrastructure Conference

CIPS

Developed in tandem with a host of leading international experts, the Cyber Security for Critical Infrastructure (Sept. 29-30, 2015 in Toronto) features all of the up-to-the-minute information and tools you need to protect critical assets from cyber-attacks. The conference is incredibly comprehensive, and one look at the agenda will convince you that this event is not to be missed! [READ MORE](#)

12 books on leadership and strategy CIOs should be studying this fall

IT World Canada

What do you want to have accomplished, and be remembered for, at the end of your career? This book groups the possibilities into four categories: Significance, Relationships, Aspirations, and Courage. Think of them as components to a custom-built solution for CIOs everywhere. [READ MORE](#)
