## New CIPS ethics exam required for I.S.P. and ITCP applicants in 2014

CIPS

As part of our mandate to establish Information Technology (IT) as a profession, CIPS has identified a need for testing knowledge and understanding of ethics in computing and IT. This is particularly important for those applying for CIPS' I.S.P. and ITCP certifications.

## Digital competencies and training modules for non-IT professionals — Join our working group today!

CIPS

In the course of their careers, few workers have the chance to stay abreast of new technology and the role it plays in creating strategic advantage or challenges. You can help design training to be used by professionals and mid-level managers as they are prepared for roles of greater responsibility you too can benefit from the training developed. This training will enhance the capacity of all industries to embrace innovative technologies and boost the productivity factor in Ontario.

## The Upcoming GDR3 Windows Phone 8 Update (via Microsoft TechNet)

CIPS

While most Canadians were sitting down with family and friends to share a meal, Microsoft was busy announcing details regarding their upcoming major updates for Windows Phone 8. While the announcement was targeted towards developers being able to acquire the new update ahead of time to ensure their applications worked well with the new update, details regarding the upcoming update were made official.

## BlackBerry places ads urging customers to 'count on us'

IT World Canada

BlackBerry is going over the head of news and social media to make sure it gets the message out that it isn't planning on disappearing. In full-page ads placed in newspapers over a dozen countries, the Canadian smart-phone maker has a straight-forward message: "You trust your BlackBerry to deliver your most important messages, so trust us when we deliver one of our own: you can continue to count on us."
