## CIPS INTERVIEWS: Chat with John Davies, Vice-President Intel World Ahead Program

CIPS

**Q:** John, Intel is doing amazing work. Can you profile how stratified information, computing or mobile access is being provided to the world's 7.24 Billion?

**A:** Broadband for all. To understand which programs to focus on, we must examine the full Internet and access device affordability model.

## 10 Internet of Things predictions for 2015

IT World Canada

With all the hype around the Internet of Things, it's very easy to dismiss the term as just another trendy catch phrase. But the truth is IoT is very much a commercial reality in Canada as well as around the world.

## Call for CIPS Representative to IFIP

CIPS

CIPS, Canada's Association of IT Professionals, seeks a representative to IFIP. Reporting to the CIPS National Board, the representative will be responsible to CIPS interests at General Assembly and in all other relevant ways. At the same time they are members of the IFIP team and should work for the benefit of IFIP so that the value of its activities is enhanced to the ultimate benefit of all its Members.

## Canadian CIOs poised to ramp up IT hiring next year

IT World Canada

The majority of chief information officers (CIOs) in Canadian firms plan to hire more people in order to beef up their departments according to a survey released by recruitment firm, Robert Half Technology. The IT Hiring Forecast and Local Trend Report released by the company indicated that 73 per cent of local CIOs intend to expand their IT teams in the first six months of 2015.
